

## ANNOUNCEMENTS

Summer is a time for family reunions. For some of us, family reunions are fun and fulfilling. For others of us, they are uncomfortable or even painful. The truth is, we all have some dysfunction in our families. We all have stories that we'd rather not hear or tell. In the stories of Genesis, we discover God's chosen family—those first generations of Israel—had struggles, secrets, sibling rivalries, and even threats of murder. As we explore these rich and ancient stories, we see how God works through and even in spite of family dysfunction to bring about God's purposes for the world. We can also find hope for God's presence and movement in our own families.

06/14/26	Doubt	Genesis 18:1-15, 21:1-7
06/21/26	Mistakes	Genesis 21:8-21
06/28/26	Love & Trust	Genesis 22:1-14
